Empathy Map Canvas:

 Says What have we heard them say? What can we imagine them saying?	Thinks  What are their wants, needs, hopes, and dreams? What other thoughts might influence their behavior?
<div><div>As a user, I want to be able to interact with the system so that I can use it effectively.</div><div>I want to be able to interact with the system so that I can use it effectively.</div><div>I want to be able to interact with the system so that I can use it effectively.</div><div>I want to be able to interact with the system so that I can use it effectively.</div></div>	<div><div>When I use the system, I want to be able to interact with the system so that I can use it effectively.</div><div>I want to be able to interact with the system so that I can use it effectively.</div><div>I want to be able to interact with the system so that I can use it effectively.</div><div>I want to be able to interact with the system so that I can use it effectively.</div></div>
<div><div>I want to be able to interact with the system so that I can use it effectively.</div><div>I want to be able to interact with the system so that I can use it effectively.</div><div>I want to be able to interact with the system so that I can use it effectively.</div><div>I want to be able to interact with the system so that I can use it effectively.</div></div>	<div><div>I want to be able to interact with the system so that I can use it effectively.</div><div>I want to be able to interact with the system so that I can use it effectively.</div><div>I want to be able to interact with the system so that I can use it effectively.</div><div>I want to be able to interact with the system so that I can use it effectively.</div></div>
 Does What behavior have we observed? What can we imagine them doing?	Feels  What are their fears, frustrations, and anxieties? What other feelings might influence their behavior?
